RECORD OF PRE-BID QUERIES & CLARIFICATIONS			
Sr.No	Clause reference	Bid Queries	Clarifications
1		As all products are having a price validity and manufacturer can change the same without notice, we can not extend price validity beyond 90 days.	Please refer ITB clause 20. Bid conditions shall prevail.
2		Government duties and taxes are subject to change and the same has to be taken as on the date of billing.	Please refer GCC clause 31. In the price bid, base cost and tax component shall be quoted separately. The payment shall be made as per the rates applicable against the tax component during the execution of the contract as per bid requirements.
3		Payment terms for capital equipment has to be 90 percent along with order and balance 10 percent against delivery. Hope the same is acceptable. We will provide BG as asked in the tender.	Please refer section-8, Special Conditions of Contract to Clause 16.1. Bid conditions shall prevail.
4		BG should be released on receipt of materials in good condition. All products will be covered as per warranty clause of the manufacturer.	Bid conditions shall prevail.
5		Whether payment for the said work is ready and whether if we are willing to supply all items immediately, the payment will be released or is it that the order will be given in separate lots as per fund availability spread over a period of time.	The selected bidder shall submit his delivery schedule for approval of the Employer. Payment shall be made as per bid conditions.
6		Where is the delivery point of the materials? We need complete clarity on this.	The delivery of equipment and materials shall be in Shillong.
